Tact Travel Consulting

Morocco ... a Majestic

A land of a thousand wonders

About Us

Tact Travel Consulting's expertise in Moroccan tourism is drawn on Twenty Years of dedication and passion for our nation's natural, cultural and man made delights. From the heart of Casablanca, the Tact Travel Consulting magic; the knowledge, the learning has been handed down from the Moroccan tourism professionals, our success evidenced in the shining eyes and resplendent smiles of our guests, all of whom leave with wonderful, unforgettable memories.

An Experience ... and more

Golf

Moroccan Golf courses cater to Golfers of all levels, subsumed in stunning landscapes and breathtaking surrounds. Golfers can putt below the lip of the Atlas, drive along the Atlantic coastline and slice high into the seemingly endless, smiling, sunny Moroccan skies, a full 300 days per year.

Your consultant ... at your service

Mice

Morocco has been the centre for African-European business for centuries, and today welcomes a universal business clientele. Business guests benefit from a professional alchemy and industrial climate that both promotes meaningful communicative interaction and fosters positive experience.

Seminars, Congresses, incentives, however the event, the expertise of our professional teams and those of our network partners allows us to support our customers with effective, successful, enticing, and memorable events.

Alive ... With Energy
